Letter No B.12 Pr 107/5556 dated 27.3.56 from the Com. C.C. B. requesting sanction to the Corporation resolution dated 8.3.56 proposing the change of designation from 'Assistant Health Officer' to 'Insect Control Officer' in order to avoid confusion in the designation of Assistant Health Officers doing different duties in Corporation.

1) It is reported therein that - in the sanctioned Schedule of Establishment of Corporation Health Dept. there are three posts of Asst. Health officers in grade Rs 200-10-300-20-500 and one post of Asst. Health officer (Melana) in grade Rs 100-5-175-10-225, that the later category of post was filled up by one Mr. R. Nagarathnam I.M.P. a Corporation Asst. Surgeon who was in grade Rs 75-5-100-10-200 formerly, after the said post remaining vacant for over 7 years - as per Corporation Resolution No 2 dated 27.2.55 and that the Corporation area has been divided into three Health Ranges for administrative convenience, placing each such Range in charge of one Asst. Health officer of grade Rs 200-10-300-20-500, while other Asst. Health officer who is a junior officer in the lower grade Rs 100-5-175-10-225 and who is in charge of Antimalaria work has been assigned to work under the guidance of the respective Health of the Ranges.

2) In the circumstances the Corporation, in its meeting held on 8.3.56, passed a resolution

Change of Designation from Asst Health Officer to Insect Control Officer
 C 9-5 / 56-7 3
 7/5/56 Retransmitted - ③

The salary of the Assistant Health Officer in charge of the mosquito control work in Bangalore City corresponds to that of the Assistant Medical Officers of Health in the Public Health Department. The various categories of officers in the Public Health Department are designated as follows and their salaries are noted against each

- I Class Health Officers,
 (District Health Officer) Rs 550-30-850
- II Class Health Officers
 (Medical Officers of Health) " 200-10-300-20-500
- III Class Health Officers
 (Asst Medical Officers of Health) " 100-5-175-10-

The Assistant Health Officers in the Corporation are now in the grade Rs 200-10-300-20-500, corresponding to the grade of the II Class Health Officers. These Officers in the Corporation and the Officer in charge of Malaria Control work are styled as Assistant Health Officers.

The Corporation has resolved to change the designation of the Assistant Health Officer in charge of Malaria Control work into that of "Insect Control Officer", in order to remove the confusion created between the two categories of Assistant Health Officers, Gazetted and non-Gazetted. The salaries of these officers were revised recently. The intention of Government in revising the grade pay of the Assistant Health Officers (Gazetted and non-gazetted) of the Corporation was perhaps to enable interchange of the officers of the Department with those of the Corporation, when necessity arose. These Officers in the Health Department are designated Medical Officers of Health, if they are gazetted and Assistant Medical Officers of Health, if non-gazetted.

④ Change of designation of Asst Health Officer

a)

I strongly feel that in order to maintain uniformity between the Corporation and the Department, the Assistant Health Officers (Gazetted) in charge of a range may be styled as "Medical Officer of Health" and the Licentiate in charge of Malaria Control work may be styled as "Assistant Medical Officer of Health". This would remove the confusion and bring about uniformity in the designation of the officers of similar rank working in the several Departments. This is more appropriate than calling the Assistant Medical Officer of Health, "Insect Control Officer". It may be stated that the officer in charge of Malaria Control Operations in Mysore - City is styled "Assistant Medical Officer of Health".

10) In view of the above remarks of the Director of Public Health, it is for orders whether the ~~Asst~~ ^{Asst} Health Officers (Gazetted) may be called "Medical Officer of Health" instead of "Assistant Health Officer" and the Licentiate in charge of Malaria Control may be called "Assistant Medical Officer of Health" instead of styling as "Insect Control Officer" as suggested by the Dir of P.H. to maintain some uniformity between the Corpⁿ and the Dept^t - para (5) to (9) supra

SUBJECT - Change of designation from 'Assistant
Health Officer' to "Insect Control
Officer"

In forwarding herewith a copy of the Corporation Resolution

No 44 dated 8th March 1956 on the above subject, I write to state
as follows -

1 In the sanctioned Schedule of Establishment of the
Health Department, Corporation of Bangalore, there are three
posts of Assistant Health Officers in grade Rs 200-10-300-20-500
and one Assistant Health Officer (Malaria) in grade Rs 100-5-175-
10-225 This post of Assistant Health Officer (Malaria) was
kept vacant for over 7 years and Corporation in their resolution
No 2 dated 27-7-1955 resolved to appoint Dr R Nagarathnam, L.M P.
a Corporation Assistant Surgeon in grade Rs 75-5-100-10-200, as
Assistant Health Officer, Anti-malaria, in grade Rs 100-5-175-10-
225 For purposes of administrative convenience, the area of the
Corporation is divided into three Health Ranges and each Range
is placed in-charge of one Assistant Health Officer of the
grade Rs 200-10-300-20-500 The Assistant Health Officer, who is
solely placed in-charge of Anti-malarial works is a Junior
Officer in grade Rs 100-5-175-10-225 has been assigned to work
under the guidance of the respective Health Officers of the
Ranges as Officers of two different grades are designated at
present as Assistant Health Officers, which is bound to create
some confusion, the Corporation has now resolved to style the
Assistant Health Officer- in-charge of Anti-malarial works in

P t.o
